OFFICIAL LAUNCH – OTTAWA II CANADA BOOK

*By the award-winning photographer/author of Canadian Best Seller
OTTAWA CANADA, William P. McElligott, Publisher & Photographer*

Ottawa, ON, November 16, 2016 – Introducing OTTAWA II CANADA, the newest book by William P. McElligott, just in time to celebrate Ottawa's place in Canada's 150th Anniversary.

Published and bound in Canada, the book is fully bilingual and McElligott shares his vision, perspective, love and understanding of this most important beautiful city of Canada, its capital, Ottawa through the themes of the **OTTAWA II CANADA** book; History, Culture, Sport and Past, Present, Future.

William presents a unique glimpse into Ottawa's raucous, intriguing past through iconic historic images with narrative as well as Ottawa's present and future with his matchless award winning photography captured from vantage points to which only a select few are allowed access.

"Ottawa is about to change in many ways and McElligott has captured the moment, the time and the feeling, when we are about to step into a very exciting future. Here, in these pages, is what we were like before we changed forever."

– excerpt from the foreword by Dave O'Malley – **OTTAWA II CANADA**
